**The Golden Rule Foundation**  
Inspiring Children to Give to Others

The Golden Rule Foundation is pleased to invite you to the inaugural Bringing Character to Center Court Tennis Tournament at the Tuscawilla Country Club. Come join us for a round robin doubles tennis tournament paired with other fun activities ensuring you'll never forget this experience. Afterwards, enjoy a buffet lunch and awards presentation. There will be a pairings party on Friday, November 17 at Fleming's in Winter Park where you can meet your tournament partner. A 501(c)(3) organization, TGRF inspires children to better themselves and the world by teaching them the art of giving. As a result, TGRF and theUSTA will award the tournament winner by creating a service-learning, character development project centered on the sport of tennis in their name in a Tuscawilla area school.
